

# WEALDEN BUS ALLIANCE

## DRAFT TERMS OF REFERENCE

1. The Group will consist of local residents and users of passenger transport
2. The Group will be independent of councils and passenger transport operators; and will manage their own organisation.
3. The Group will be invited to send a representative to the Wealden Bus Alliance meetings, and will be consulted on all matters relating the local bus services.
4. The Group will consult the wider public in respect of bus services and report any views and comments to Wealden Bus Alliance.
5. Aims of the Group:-
  - To strengthen the voice of bus users in the discussion of local and national public transport issues.
  - To increase the influence of bus passengers on local and national decisions affecting bus services.
  - To develop good communication between bus companies and their passengers.
  - To improve the standard of public transport, creating a user friendly bus service that meets all expectations of reliability, frequency and cleanliness.
  - To provide a direct input into planned housing and other developments, in respect of local passenger bus services.
